Respected Sir,

Greetings from ACE Engineering Academy!

We are proud to introduce ourselves as one of the leading coaching institutes, coordinating and hosting a wide variety of learning opportunities, skill development, and career guidance programs in the mode of seminars, workshops, webinars, etc. for engineering students across the country.

The ideology of ACE is to provide the engineering students with all possible inputs to make them realize their true potential and further enhance it to touch the highest levels of excellence.

Our team's expertise in the industry and various domains has been our asset, and we provide one of the best service portfolios to tune/guide the students towards achieving and exhibiting their finest skills as required for the jobs of the future.

ACE programs are tailored to provide maximum choice and variety, specifically designed around the direct feedback received from previous attendees and well wishers.

We hereby request you to permit us to conduct the Seminar on "Career Opportunities after Engineering" with a special focus on ESE, GATE, and PSUs exclusively for the second, third, and final year students of your esteemed institution on 17/02/2023.

We look forward to the beneficial opportunity and your cooperation in this endeavor of ours.

Please find the detailed information about the proposed webinar below:

Name of the Program: SEMINAR on CAREER OPPORTUNITIES after B.TECH (GATE/ESE/PSUs).

Content for General Seminar:

1. The important career opportunities available for engineering graduates (GATE, ESE, PSUs Jobs, State Service Commission, IT / Private sector Jobs) and other competitive exams.
2. Opportunities available through various competitive examinations and indirect benefits.
3. The salient features of all the competitive examinations with respect to the pattern of the examination, eligibility criteria, and branches eligible.
4. The strategy for competitive exam preparation.

ACE Role:

- Providing subject experts (General)

With this, we look forward to a positive response from your end and entering into a long-standing, mutually beneficial academic association with your institution.

We are awaiting your response and confirmation for conducting the session.

Thanks & Regards
